

Adhesive (Sticker) Vinyl Cutting, Peeling and Pressing Guide

Cutting

Picture Perfect Products Adhesive Vinyl range can be used on every vinyl cutter, just make sure you do a **test cut first** to get the correct settings for your cutter.

- Use **default adhesive vinyl settings** as per your vinyl cutter.
- Always test cut

Default on Silhouette:

- **Blade: 1**
- **Force: 10**
- **Speed: 5**

All Vinyl:

Use default adhesive vinyl settings
